Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for City of Lawrenceburg: Lawrenceburg Water System Improvements Project in fiscal year 2023. The entity to receive funding for this project is the City of Lawrenceburg located at 100 North Main Street, Lawrenceburg, Kentucky 40342. The funding would be used to construct a new 1,000,000 gallon elevated water storage tank, water treatment plant high service pump improvements, approximately 1,000 feet of 12-inch water line and an emergency connection to South Anderson Water District.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
